

COOK NUMBER GRILLS

Oasis Outdoor Kitchen with Black Porcelain Grill

The ultimate grilling experience.

These are the first grills designed to conserve heat and save energy while delivering real power. Convection technology lets one burner cook like five. Our unique Cook Number technology lets you cook your meat just the way you like it – every time. Cook Number grills can fit into any custom outdoor kitchen.

cook number grills

10 exact settings let you grill, sear, roast – even bake. Perfectly!

A built-in sensor continuously monitors your food's internal temperature so it comes out just the way you like it every time. Like your steak medium rare? You're a 3.

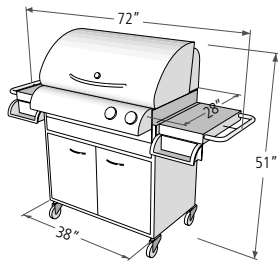

Well-done? You're a 7. Just set it and relax. A signal and flashing lights let you know your food is done to perfection! The *Cook Number System* does what no other grill can – it makes you a better cook. Go to *OutdoorRooms.com* to see video of the Cook Number system working.

Cook Number Grills also come with our Outdoor Kitchens!
